

BANCFIRST PINPOINTS THE BEST MORTGAGE OPTION AVAILABLE FOR YOU

Whether you are a first-time homeowner or are just in need of a second mortgage, the loan officers of BancFirst can find the loan plan to best fit your needs. They have many options available including First Time Homebuyers Program, FHA, VA, Rural Development, Conventional, Home Improvement and Home Equity loans.

With so many mortgage options available, BancFirst loan officers are highly trained in pinpointing the correct loan type for their clients

“There are many different ways we can help you. If you simply want money for home improvements, and if you have equity in your home, a second mortgage or a Home Equity Line of Credit (HELOC) might be of interest. Equity from your home can be used to make any purchases that you would like,” Kay Heath, Vice President, stated.

Debbie Thomas added, “We are also available to help you secure the best rates possible if you’re a first time home-buyer. Whatever your home financing needs, we are ready to help with a broad range of programs, money-saving options and personalized service.”

The process for a first time homebuyer is to come in for a loan consultation. The loan officer can pre-qualify the homebuyer so they’ll know what price range is right for them. The borrower will be notified of approval within three business days of receipt of a completed application. The typical time from for the loan process is four weeks.

BancFirst Mortgage has created a dynamic and comprehensive lending program to enhance home ownership in communities across Oklahoma. Our mission is a simple one: Placing people in homes, thereby helping to create the legacy and core values that are associated with home ownership,” Terri Collier, Vice President, said.
